

Shop with a Cop

The Columbia County Sheriff's Department has been spearheading this annual event and other local law enforcement like Portage pd has had the pleasure of being a part of this event. This event corroborates with the school district and Elks Club providing supplementing families to purchase gifts for Christmas. Children are invited to "shop" at our local Walmart to get gifts for their siblings. The Children then meet at the Elks Lodge to wrap the gifts and interact with several law enforcement officers.
