

City of Portage, Columbia County - What To Recycle

Used Waste Oil

Waste oil cannot be mixed with antifreeze, solvents, kerosene, water, etc. **Containers of 5 gallons or less are acceptable but must be brought to the Columbia County Recycling facility.**

Plastic

Bottles- #1 and #2's ONLY:

- rinsed clean
- caps removed
- At this time, plastic grocery/shopping bags are not recyclable.

Glass

Bottles and Jars ONLY:

- rinsed clean
- caps removed
- Can be mixed:
- Clear - Brown - Green

The following items are not recyclable: Window glass, pottery, ceramics, dishes and ovenware. They are considered demolition. Cost is \$4.25 per 100 lbs.

Cardboard

Corrugated non-wax, any type:

- clean
- flattened
- remove any wax or plastic liners
- beer/soda cardboard packaging is now accepted.

Tin

- food cans ONLY rinse clean
- clean and dry ONLY

Paper

- newspaper
- magazines
- office paper
- junk mail
- Clean and dry ONLY.

Aluminum

All types, should be:

- clean
- free of liquid
- cans crushed or uncrushed

Paint

Paint is not hazardous.

Only water based or latex paint is accepted.

To dispose properly, it must be hardened by removing lid. You can dispose of hardened paint cans in your garbage.

Please contact CCR for oil based paint disposal.

SET YOUR GARBAGE & RECYCLABLES OUT IN BOULEVARD (NOT IN STREET) THE NIGHT BEFORE YOUR PICK UP

If your recyclables were missed being picked up, call 608-742-6651

DO NOT PLACE ON THE GROUND, place in proper recycling container.

Thank you for your help in making Columbia County one of Wisconsin's recycling leaders.
